COMMUNITY
PARTNERS
PROGRAM

2023-2024

Committed to Community.
It's a family thing.™

How our Community Partners Program works and helps.

Generations of people making food better and serving others have nourished our growth at Jason's Deli. Helping our communities grow is also how we serve you.

We've always offered and continuously improved our community services, and in 2003, we brought them together into a **Community Partners Program**.

Today, CPP helps support local schools and 501(c)(3) houses of worship through exclusive benefits and services. Here's a brief outline of different ways we help the communities we're privileged to serve.

Kid Cash Rewards

We have a student reward program available for children ages 1-12 that you can use to reward academic performance and good citizenship. Our KID CASH cards can be requested through our website, including Holiday Cash available for Spring, Fall & Winter events.

Fundraiser / Spirit Nights

Celebrate, eat and raise money for your non-profit organization at your local Jason's Deli. Following your event, a percentage of the sales you generate is given back to the organization. To start your fundraiser, please go to jasonsdeli.com

Sponsorships & Donations

We believe in supporting our Community Partners. You can request a food donation or sponsorship through our website. Please submit requests 30 days in advance.

Coaches and Bus Driver Program

Bring your sports team to our locations and we will feed the Coach and Bus Driver. Ask how to get a complimentary meal up to \$16 in value.

Local Delis

Our large dining rooms welcome groups of all sizes. Bring your team or group and join us for lunch or dinner. And when you are dining in, don't forget your **free ice cream!**

Special Menu & Pricing

We offer a special selection of boxed meals, just for our Community Partners at a reduced price for events and meetings throughout the year. Our food and services can accommodate groups as small as five and as large as 100,000 at a budget-saving price.

Game Day Box Lunch Program

Delicious box meals can be delivered to your sports and academic teams for one game/event or you can pre-register for the whole season. This is a great fit for middle school and high school teams, coaches and boosters as we take care of collecting the orders and payment for you. Contact your local deli for more information.
